Fifa World Cup - loved it or hated it, we were all 'blown' away by the enormity of it all. This is the second sporting event since the rugby world cup of 1995 that has brought the nation together. Without the support of the public this would not have been possible. The success of a crime forum and neighbourhood watch is also dependent on the support from the community. We would like to thank all our loyal residents who have contributed towards the success we've achieved thus far and encourage more people to join our 'team' and help us to reach our ultimate 'goal'.

3rd Avenue dip
Many residents drive through the dip unaware of the uninterrupted beauty of the Baakens Valley.
Some of our older families have memories of picnics and happy times spent in the valley
Come to our meeting on 13 July and listen to Cllr Retief Odendaal tell us of his vision to have the valley restored to its former glory for everyone to enjoy

Crime report for May

by Monty Brown

A young schoolgirl from Alexander Road High was confronted by a criminal who demanded her cellphone. When she refused he drew a knife and threatened her but she again refused. The criminal ran away when a passing motorist stopped to help her. The police were called and the girl accompanied the officers as she was able to identify him. The criminal was arrested. It was established that the police were on the look-out for him as he is wanted for murder.

Friday 28 May - Negligence/Theft from vehicle left unattended outside 36 Middleton Avenue. Money, ID document and cellphone stolen.

Friday 28 May - Broken into vehicle parked in driveway at 3 Middleton avenue. Window broken and various items stolen.

While the police were on high alert during the soccer world cup, there has been an increase in crime in our area. Business break-ins in King Edward, 6th Avenue and Second Avenue and a break-in at a residence in Gerald Street were reported. The lady who lives in a garden flat on her son's property wasn't even aware that the house had been broken into or that her car had been stolen until she got a phone call from the police to enquire if she was the owner of a car they stopped to search.

NOT ONE OF THE VICTIMS ARE MEMBERS OF OUR FORUM!
