*Wishing you all a happy, peaceful and prosperous New Year. Hope you are all rested after the holidays and ready to tackle all the challenges that lies ahead in 2011. Congratulations to all our matriculants who passed their final exams.*

*During the festive season there was a strong police presence throughout the metro and no major crime problems were reported, which is proof that visible policing is the answer to combating crime.*

*A BIG THANK YOU to the SAPS for policing our area day and night and to our patrollers who were on duty during the festive season. Special mention must be made of CLIFFIE LEAT who has for many years single-handedly, attended to all emergency call-outs and EMILE TERBLANCHE, a non-resident in our area, for his involvement.*

*Without your involvement and support there will be no forum but if we work together and are successful in all our campaigns a crime-free neighbourhood can be achieved.*

*At our February meeting we will be electing a new committee for 2011. Nominations are invited from current or new members of the community who are prepared to serve as office bearers.*
